

Amateur Boxing Alliance (England) CIC

Urgent notice to all Boxing clubs

17th March 2020

Dear All Amateur Boxing Alliance Clubs,

Following on from the Prime Minister's address to the nation about avoiding all unnecessary Social contact and travelling, added together with our duty of care to all of our membership, the Amateur Boxing Alliance management committee urge all boxing clubs to conform to the Governments directives and implement a temporary shut down of your gyms until our nation comes out the other-side of this dreadful and life threatening Pandemic.

It is with regret that with immediate effect, no permits will be issued for any club shows. Officials will not be appointed and it is almost certain that Doctors will refuse to attend. Therefore and until further notice, Amateur Boxing Alliance Clubs are not permitted to stage any shows.

All the Championships have been postponed and will be re-scheduled for a later date following Government clearance with adequate notice given to all clubs and boxers to prepare.

The Amateur Boxing Alliance management committee have agreed to keep the boxing season open following the passing of the pandemic until October 1st (the new season start date). Hopefully, Government clearance will be swift enough to enable the sport of Boxing to be re-ignited before October. Obviously at this point in time, no one can predict when everyday activities will go back to normal.

Hopefully, you all fully understand the Pandemic, making the threat to the health and welfare of our members and their families very serious. These precautionary measures are the only right and most sensible actions to take and to ignore them can only be seen as negligence.

The Amateur Boxing Alliance management committee would like to commend all the hard work from all our volunteers over the past season and together we will get through the difficult months ahead.

Wishing you all good health.

The Amateur Boxing Alliance Management Committee
